6 May 2016

## About Croydon

Croydon is a distinctive and diverse place and is London's most populated borough. Croydon is about to undergo the biggest development and regeneration programme since the 1960s with £3bn of investment flowing into the borough over the next five years, building a positive future for residents and businesses alike.

We are passionate about the value of public services and our new headquarters has the customer at the heart of what we do. It brings together 75 services including council, Met Police, NHS, Jobcentre Plus, Croydon Credit Union and Citizens Advice Bureau under one roof, allowing us all to work together as one team.

This makes now an exciting time to join our team delivering vital services to over 360,000 residents.

## Creative Director for Croydon regeneration

### Salary £82.5k

We are looking for a creative and committed individual to spearhead Croydon Council's cultural ambitions.

Leading the vision for the regenerated Fairfield Halls; developing a new creative programme for the borough and using its open spaces as cultural venues are among the priorities of the council's new creative director.

The successful candidate will have the key role of boosting Croydon's position as a cultural hub for London and the South East. Using the place as a cultural canvas, you will work with partner organisations local and national such as Arts Council England, developers and landowners to embed culture in the borough's regeneration programme, as well as attracting people and businesses to Croydon.

Working closely with the Leader, Portfolio holder and Executive Director for Place on the cultural and arts offer in the borough; you will lead initiatives which diversify the borough's cultural offer, increase visitor numbers and invigorate the evening economy as well as revitalise the borough's cultural offer through direct delivery and partnership working.

You'll currently be a great communicator with a successful track record in cultural delivery. You'll inspire others to challenge convention and think differently about Croydon and its offer.

In return, we offer a competitive salary, an exciting challenge and a great place to work

Fixed term contract end date: September 2018 (cover a specific project/task)

## Equalities Statement

Croydon Council is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, gender reassignment, religion or belief, marital status, or pregnancy and maternity.
